FERNVALE PRIMARY SCHOOL
Global Learners of Tomorrow

Dear Parents/Guardians,

Assessment for Primary 1

1. Assessment is integral to the teaching and learning process. Information from assessments will be used by teachers to check for students' understanding and provide timely feedback to improve learning.
2. Bite-sized forms of assessment which are **non-weighted** will be conducted throughout the year to allow our teachers to find out how well your child has grasped the desired learning outcomes of the respective subjects.
3. The school will be using subject-specific learning outcomes and qualitative descriptors to report on the student's learning progress for all subjects in the Holistic Development Profile (HDP). The HDP will be issued to parents at the end of each semester.
4. The summary of learning outcomes assessed in Primary 1 for Semester 2 is provided in Annex 1.
5. The details of the assessments can also be found in our school website (<https://www.fernvalepri.moe.edu.sg/parents-corner/assessment-matters/>). Should you have any queries, you may contact the respective subject teachers at 63153051 or email them at fernvale_ps@moe.edu.sg.

Thank you.

Yours sincerely

Mr Enoch Lau
Principal
